

Irrigation & Landscape

Water Efficiency Program

Lower your residential water bill with a free irrigation & landscape assessment!

- > **PLUS** if you convert 50% of your landscape to waterwise plants and/or amend your soil to improve water efficiency you will be eligible for a **\$250 rebate** when you spend \$500 or more.*
- > **Or** you can receive a **\$250 rebate** for a climate-based irrigation controller when installed by a Certified Irrigation Contractor.*

*You must sign up for an assessment before applying for the rebate. Funding is limited and based on first come, first served.

Water Wise TIP

DID YOU KNOW

Landscape watering is one of the biggest uses of water in your home?

FALL is the best time to plant a waterwise garden.

We have guides and online resources for planning a waterwise landscape.

To get you started, you can book an **Irrigation and Landscape Assessment** until October 31.
