

Irrigation & Landscape

Water Efficiency Program

**Sign up for a FREE
irrigation & landscape
assessment!**

- **PLUS** if you convert 50% of your landscape to waterwise plants and/or amend your soil to improve water efficiency you will be eligible for a **\$250 rebate** when you spend \$500 or more.*
- **Or** you can receive a **\$250 rebate** for a climate-based irrigation controller when installed by a Certified Irrigation Contractor.*

COMING SOON! Native Plant Workshop

Learn how to plant a successful waterwise garden with native plants.

**Check out
ourwatermatters.ca
for details!**

*You must sign up for an assessment (30 minutes to one hour) before you apply for a rebate. Rebates are limited and offered on a first come, first served basis.

**Sign up online & learn more at
ourwatermatters.ca**

Water Wise **TIP**

DID YOU KNOW

Landscape watering is one of the biggest uses of water in your home?

BC Landscape Water Calculator

Check out the BC Landscape Water Calculator to estimate and determine your landscape water use.

The calculator is designed for Abbotsford and Mission residents and is required to apply for an irrigation or landscape rebate.

We have other online resources for planning a waterwise landscape at ourwatermatters.ca
